←SWIMMER NAME

Stuffing Sprint

50 yds		

←SWIMMER NAME

Fill in each box with a ✓ or with the cumulative time (not splits).

If you choose to write the cumulative lap times, just let the stopwatch run and watch as the swimmer touches the wall. Write down the time you see down to the full second: H:MM:SS. (no decimals)

100 yds

or

100 yds

Write the complete final time in last box.

H:MM:SS.##

←FINAL TIME
